### FUEL TAXES DIVISION

If you need help with your application or have questions regarding the fuel taxes administered by the Board, please call the Fuel Taxes Division. Call between 8 a.m. and 5 p.m., Monday through Friday, excluding State holidays.

### WRITTEN TAX ADVICE

It is best to get tax advice from the Board in writing. You may be relieved of tax/fee, penalty, or interest charges if we determine you did not correctly report tax because you reasonably relied on our written advice regarding a transaction.

For this relief to apply, your request for advice must be in writing, identify the taxpayer to whom the advice applies, and fully describe the facts and circumstances of the transaction.

Send your request for written advice to the Fuel Taxes Division (see above for address).

### INTERNET

**[www.boe.ca.gov](http://www.boe.ca.gov)**

Our website includes a lot of useful information. For example, you can download numerous publications — such as laws, regulations, pamphlets, and policy manuals — that will help you understand how the law applies to your business. You can also verify sellers' permit numbers online, read about upcoming Taxpayers' Bill of Rights hearings, and obtain information on Board field office addresses and telephone numbers.

Another good resource — especially for starting businesses — is the California Tax Information Center at [www.taxes.ca.gov](http://www.taxes.ca.gov).

### TAXPAYERS' RIGHTS ADVOCATE OFFICE

If you would like to know more about your rights as a taxpayer or if you are unable to resolve an issue with the Board, please contact the Taxpayers' Rights Advocate office for help. Call 916-324-2798 (or toll-free, 888-324-2798). Their fax number is 916-323-3319.

If you prefer, you may write to them at the following address:

Taxpayers' Rights Advocate  
State Board of Equalization  
P.O. Box 942879  
Sacramento, CA 94279-0070.

To request a copy of publication 70, *The California Taxpayers' Bill of Rights*, call the Information Center at 800-400-7115 or visit our Internet site, [www.boe.ca.gov](http://www.boe.ca.gov) (look under "Forms, Publications, Reports & News").

*Note:* Publicly traded companies are not required to complete items 8-28 for corporate information.

### Items 10, 11, 17, 18, 24, 25: Driver License/Social Security Number

No, however, you may be required to post a security deposit to cover any unpaid taxes/fees that may be owed. Security forms will be sent to you if security is warranted. Your account, license or permit will be issued after the appropriate security, if required, is posted to your account.

***Is information regarding my account subject to public disclosure?***

Generally, personal information, such as your driver license number, your social security number, and your residence addresses, are not disclosed to the public. However, some records are subject to disclosure, such as your BOE license or permit number, your business name and address, and your account number, license or permit status. Also, for purposes of enforcing the fuel laws, personal information may be disclosed to federal agencies and other state agencies. See also the disclosure information on the back page.

This is required to ensure the accuracy of the information provided and to protect you against fraudulent use of your identification numbers. If your social security card is not readily available, you may provide other documentation.

If you do not, you could be held liable for the continuing fuel taxes/fees. In addition, you should immediately notify us in writing if you discontinue your business. Your notification will allow us to close your account number, permit or license and return any available security you may have posted.
- **You must furnish all the required information requested on applications for registration, tax/fee returns, and other related reports.** If you do not provide the information required on the application form, we may not be able to establish an account number, or issue your license or permit. *(continued on next page)*

## Other Fuel Taxes

*You may also be required to register under one of the following tax programs. These programs are administered by the Fuel Taxes Division, which can be reached at 916-322-9669.*

### **Motor Vehicle Fuel Tax and Diesel Fuel Tax**

A Supplier of motor vehicle fuel or diesel fuel engaged in business in California as a Terminal Operator, Position Holder, Refiner, Blender, Enterer, or Throughputter must register with the Board and pay the excise tax on each gallon of fuel removed from the terminal rack. An Ultimate Vendor of diesel fuel must obtain a license to obtain a refund from the Board for undyed diesel fuel sold to a user of fuel for use on a farm for farming purposes or for use in an exempt bus operation. If one of these licenses is needed please contact our office at the above telephone number to request an application. You can also download the application (BOE-400-FCO, *Supplier and/or Ultimate Vendor License Application*) from our website [www.boe.ca.gov](http://www.boe.ca.gov) (look under Forms, Publications, Reports & News/Special Taxes/Forms numeric).

### **Underground Storage Tank Maintenance Fee Law**

The owner of an underground storage tank must register with the Board and pay the underground storage tank maintenance fee for every gallon of petroleum product placed into the tank. If you own property where an underground storage tank is located, you are usually considered the owner of the tank. If you operate an underground storage tank but do not own it, you are not liable for the fee. An operator is defined as the person who controls or is responsible for the daily operation of the tank. Generally, if you lease an underground storage tank, you will be considered an operator, not an owner, unless your lease provides otherwise.

If this fee applies to you, please contact the office referenced above to request an application or download the application (BOE-400-UST, *California Underground Storage Tank and Maintenance Fee Application*) from our website [www.boe.ca.gov](http://www.boe.ca.gov) (look under Forms, Publications, Reports & News/Special Taxes/Forms numeric).
